**WEATHER POLICY:** Renting a pavilion DOES NOT guarantee that the pool will be open. If there are severe weather conditions that require the pool to close or adjust operating hours this will not affect your event. In turn, there is no guarantee that we can reschedule your event due to a pool closure or change in operating time. Deposits are nonrefundable.

*Please note that we try our best to maintain normal operations for our members and guests in the RV park. Adjustments are only made under extreme conditions (lightning, heavy/flooding rains, damaging winds, or power outages).*
